ADDENDUM # 1

10/21/15

Solicitation RFQ #7549929

Title: The Rhode Island Emergency Management Agency Continuity of Operations Plans and Continuity of Government Plan

Submission Deadline: November 5, 2015 @ 11:30 am

Per the issuance of ADDENDUM #1 the following are noted:

Vendor Questions:

Question: On page 5 of the RFP document it states that a specific requirement is for the vendor to have someone on the project team certified with a CBCP or similar certification.

Our team has extensive experience developing COOP and COG plans, however, we do not have someone with the desired certifications.

We have experience developing plans to DHS/FEMA standards, guidelines, and templates to meet the various governmental requirements.

Is comparable vendor experience acceptable as a substitute for the certification?

Response: Yes, but please provide an explanation of this comparable experience and give examples.

Interested Parties should monitor this website on a regular basis, for any additional information that may be posted.
